Riccardo Fusiello

About me

Hi, I'm Riccardo Fusiello, I'm an ex student of the ITIS Sen.Onofrio Jannuzzi in Andria. I completed the five years of the ITIS in 2021 with a lot of great grades, particularly in the main subjects. Actually I'm studying Computer Science at University of Trento and my inspiration is to work in a great company of Computer Science or generally in a great company that invests in Computer Science and Innovation.
